

## Objectives

The **Society** was formed in 1968 and has the following *objectives* for its work on behalf of the village and its surroundings:

- To promote high standards of planning, development and architecture in or affecting the area of benefit; and to challenge or oppose any inappropriate developments affecting the community.
- To inform and advise residents and the public generally in the geography, natural history, environment, ecology, architecture and history of the area of benefit.
- To secure the preservation, protection, development and improvement of features in general public amenity or historic or public interest in the area of benefit.
- To preserve and promote the character of the area of benefit as a thriving community.
- To liaise and cooperate with other community bodies to advance the objectives of the Society.

## Subscriptions

The suggested annual subscription is £2.00 for the first family member and £1.00 for each additional member.

While the Society keeps membership records to assist in the collection of subscriptions, none of the information will be disclosed to any other person or body without consent except as required by law.
